

THE MAN : A CALLING-ON SONG

For Suzanne, who is full of questions!

Unaccompanied, very freely.

Will you come___ and hear the sto - ries?_ Will you come___ and want to

know? Will you come___ and seek the mean - ing___ of the ba - by long a - go?

Will you come and hear the stories?
Will you come and want to know?
Will you come and seek the meaning
of The Baby long ago?

Did he come without a warning?
Was The Boy like you and me?
Did he live on milk and honey?
Listen now, perhaps you'll see.

Did he rule a mighty army?
Did he take a loving wife?
Was he ever sad or angry?
Did The Man live a perfect life?

Did he die without a reason?
Was he brave when he was slain?
Did he die with his friends around him?
Has The Man been seen again?
