Jesus lived - there is no doubt about it. History cannot be denied.
 Ancient wise men wrote it down so clearly - Romans, Greeks, Jews, Egyptians and Gentiles.
A Man named Jesus lived in Palestine. They say he healed the lame, turned water to wine

He loves - He holds - He heals - He gives so we can sing JESUS LIVES!

Jesus died, it cannot be disputed - crucified on a hill at Calvary
 by the soldiers - cruel, harsh and brutal. They nailed His broken body to the tree.
A man named Jesus - whipped and crucified. He cried out to His father then he died.

Jesus rose - there is proof in plenty. Jesus rose - it was Easter Day.
 In the dawning, they found the grave was empty and the shroud folded neatly where He lay.
A man named Jesus, taken from the grave - vanished from the world He came to save.

Jesus lives, he's in the Easter garden. Mary weeps for joy instead of grief.
 Simon Peter hears the Master's pardon. Thomas sees and worships in belief
A man named Jesus left us with the sign - the breaking of the bread and drinking the wine.

Jesus lives, there is no doubt about it. Jesus lives, we all know that it's true.
Jesus lives - go to the world and shout it. Let the tales of old become the tales of new.
A man named Jesus lived in Palestine. No we are His and He is yours and mine

He loves - He holds - He heals - He gives so we can sing JESUS LIVES!
